

Annual Gender Sensitization Action Plan

- To help women to become aware of the importance of good health, nutrition, hygiene and facilities available to them in the institution
- To provide counselling for female employees and students and encourage them to share their problems with the Grievance cell
- To help them in character building, develop decision making abilities, leadership skills and be self-dependent through regular counselling.
- To promote a culture of respect and equality for female gender through active participation in culture and sports programme.
- To conduct lectures, workshops, seminars, symposium, awareness programmes and other welfare activities to increase their knowledge of opportunities.
- Promoting women's sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others
- To educate girl students on women specific health issues and measures to be taken
- To enable the College community to understand the role of everyone in empowering women students
- To help them develop a holistic, integrated and a well-balanced personality
- Celebration of International Women's Day every year
- Celebration of World Breastfeeding Week every year
