

ITS DENTAL COLLEGE INTERNATIONAL STUDENTS CELL

The International Student Cell was established in year 2017 as an independent unit of ITS Dental College, Muradnagar to enhance a global perspective in the teaching and research programs of the College. The Centre is an interlink between international students and foreign universities along with the college administration. This cell caters to the requirement of foreign students.

These international students cell also handles incoming visits by international students under students exchange program, prepares a guide for foreign students, provides visa assistance, travel, and hostel accommodation for them.

ITS Dental College, Ghaziabad has for long been cognizant of its potential role and responsibility at global levels. In pursuance of the same, the Institution has been reaching out to fraternal institutions in different parts of the world for collaborative programs, extension of research, student exchange to name few.

The Centre does the pre-counseling work for admission of students under Foreign Nationals categories to Undergraduate and Postgraduate programs.

The College coordinates extensive research and academic programs with overseas Institutions/Universities through Memorandum of Understanding (MoU), Exchange of Faculty/Students, Programs and conduct of International Joint Seminars/Conferences. To enhance collaborative research activities to develop a multicultural, multi-ethnic and inter-disciplinary learning environment in the college campus.
