**COLLEGE VISION**

I.T.S Dental College aims at not only imparting the students with the knowledge to practice various specialties efficiently and effectively, backed by scientific knowledge and skill but also exercise empathy and a caring attitude while maintaining high ethical standards. We offer an educational program with a plethora of innovative concepts for creating a host of talented professionals.

**MISSION TOWARDS STUDENTS**

The mission is to equip students with sound technical knowledge and skill to serve rural and underprivileged population of India by adopting ethical principles in all aspects of practice & professional honesty and integrity so as to ensure higher competence in both general and specialized areas.

**MISSION TOWARDS PATIENTS**

The I.T.S-CDSR firmly believes in the notion that our patient is our most important visitor to our college. It is thought that each patient teaches us a lesson that cannot be taught in any book or tome. It is further stressed upon in the institute's mission that, the institute is not doing patient a favor by serving him/her, rather the patient is doing us a favor by giving us a unique opportunity to serve him/her. The mission dictates that the patient doctor relationship should be a life time bond, which will reinforce the patient's oral as well as general health and also assuage his/her pain.
