Comments Camp was organized in Deana (Kozipur Village), due to extreme
heat waves and high temperature, O.P.D. was extremely low. We tried
to convince people via announcements and door-to-door information was sent
but patients were too reluctant to come out of their houses for dental checkup.
Patients that were successful were told about bus route and motivated
to visit college, where over basic treatment was provided ~~at~~ composite.

Due to too much heat, even compresses ^{etc} in dental ambulance
stopped working.
