

I.T.S Centre for Dental Studies & Research

Delhi-Meerut Road, Murad Nagar, Ghaziabad

Report on “MDS Orientation Program 2022”

“Orientation Program” was organized by I.T.S Dental College, Ghaziabad on 7th November, 2022 to welcome the 17th Batch of MDS students for the session of 2022-2025, under the guidance of honorable **Chairman, I.T.S-The Education Group, Dr. R.P. Chadha** and honorable **Vice Chairman of I.T.S- The Education Group, Mr. Arpit Chadha**. The program started with lamp lighting and Saraswati Vandana.

The students and their parents were welcomed by Dr Srinath Thakur, Director-PG Courses, I.T.S Dental College, Ghaziabad to the event. He congratulated all the MDS students and their parents for becoming a part of this institute. He introduced the **Distinguished Guests, Dr. Iraj Raja, SP (RA), IPS, Ghaziabad; and Dr (Brig.) Rakesh Kumar Gupta, Director, Government Institute of Medical Sciences, Greater Noida, Uttar Pradesh** to the august gathering. On this occasion, the Principal, Dr. Devi Charan Shetty introduced the experienced faculty members and their respective departments to the gathering.

Distinguished Guest, Dr. Iraj Raja congratulated students on the occasion of beginning of their professional journey and with his vast experience guided them on how to march forward towards success. He wished them good luck and bright future ahead. He also reemphasized that modern dentistry is not only to treat diseases of teeth but also esthetic rehabilitation of the dental and alike structures.

Distinguished Guest, Dr (Brig.) Rakesh Kumar Gupta appreciated our energetic & determined, Honorable Vice Chairman, Mr. Arpit Chadha for his benevolent activities to promote the wellbeing of the underprivileged people. It is due to his persistent hard work and determination that the institute has reached new heights. He also congratulated the new members of I.T.S Family.

On this occasion, the Vice Chairman of I.T.S- The Education Group, **Mr. Arpit Chadha**, welcomed the students to the I.T.S family and elaborated on I.T.S – The Education Group. He introduced the students to the past traditions of I.T.S that have been the building blocks of the college from the year 1995. He congratulated the parents and the students for becoming a part of I.T.S and motivated the students to excel in their dental field with incorporation of world class clinical skills & research in their practice. He acknowledged the fact that out of the 43 admissions, 34 students took admission from outside the state of Uttar Pradesh, thus, emphasizing the changing perception and opinion of the people in choosing the institution. He also emphasized that dental practice is a noble profession and recommended prospective dental

surgeons to always follow righteous path in their clinical practice. He apprised them of the world class facilities and latest technology that is available in the campus. He also emphasized that dental treatment should not be done only to relieve the patient of the pain but also to improve the quality of patient's life. He quoted the motto of honorable Chairman, Dr R.P. Chadha "Providing Education And Health To All", which has always remained the main focus of I.T.S-The Education Group. The institution has also been ranked among top Dental Colleges all over India. He also emphasized on the significance of eminent faculty in making the institution an epitome of great learning and dental education.

This was followed by presentation of memento to respective guests.

The orientation also witnessed an interactive session for the students and the parents where the students briefly introduced themselves along with the hobbies and interests that they follow.

The programme was followed by the visit of the students to central library followed by departmental visits where they were introduced to newer modalities in the institute in different specialties and addressed by the head of departments and other faculty members.

The day ended with lunch at board room for the students, parents and faculty.

Observation:

- Very healthy review and feedback for program was given by all students and parents.

Suggestions:

- Details like matchbox and seating arrangement could have been better.
- Back-up required for everything
- AC was making sound

BDS Orientation Day Program

(Monday, 28th November, 2022)

Event Report

The Annual Orientation Day Program-2022 for I.T.S Dental College, Ghaziabad, was held for 23rd Batch of BDS on Monday, 28th November, 2022.

The program started at 11:00 am and was inaugurated by Lamp lightening for invoking the blessings of Maa Saraswati by distinguished guests of the program **Dr. R.C. Gupta, Principal - LLRM Medical College, Dean Medical Faculty, CCS University, Meerut**, and Distinguished Guest **Mrs. Shubhangi Shukla, SDM – Modinagar, Uttar Pradesh, Honorable Director-PR, I.T.S-The Education Group, Mr. Surinder Sood, & Director-PG Courses, I.T.S Dental College, Ghaziabad Dr. Srinath Thakur**, and Principal, I.T.S Dental College, Ghaziabad **Dr. Devi Charan Shetty**.

The program was attended various heads of departments, faculty members, **89 students of the new BDS Batch and approximately 180 parents**.

Dr. Srinath Thakur, Director-PG Courses congratulated and briefed the students on the college's goal of staying updated with the newest breakthroughs in the field of dentistry in order to provide world-class care to patients. He also discussed about the safe environment created in the college with a stringent anti-ragging policy.

Dr. Devi Charan Shetty, Principal, welcomed the gathering and talked about the achievements of the college in the past years. He thanked the Chairman and Vice Chairman for providing the institute with all amenities and uplifting the college to new heights. He provided an introduction of faculty and various departments along with helpful cells and committees such as the Women's Cell, Coordinators, Counselors and Anti-Ragging Committee and wished good luck to students for all their future endeavors.

Mr. Surinder Sood, Director-PR, I.T.S-The Education Group delivered the welcome address and introduced the gathering to I.T.S – The Education Group and discussed the growth of the institute from early humble beginnings to being one of the best dental colleges in the country. He welcomed the students and their parents to the auspicious occasion.

Distinguished guests of the program **Mrs. Shubhangi Shukla, SDM – Modinagar** congratulated the students and parents for choosing this institute. She talked about dentistry being a super-specialty and how all the students have taken the correct decision. She advised all

the students to look for comprehensive development, respect all the patients, work hard, make best use of this time, and work with sincerity and dedication and further congratulated the I.T.S Management for setting benchmarks in the field of dental education.

Dr. R.C. Gupta, Principal - LLRM Medical College, Dean Medical Faculty, CCS University, Meerut addressed the gathering and said that I.T.S Dental College Ghaziabad has been the most prestigious institute of CCS University in past so many years. With the help of a small story, he advised the students that visions, thoughts and hard work stay even after we leave the world, so work hard, stay focused, never hesitate or be filled with pride, and put faith in God. He stated that helping the society is the biggest religion and teachers are sculptors to create gems out of students. He congratulated the management for making the institute a pioneer in the field of dental education with the best in class infrastructure and also praised the experienced faculty the college boasts of, stating that the teachers are the flag bearers of any good institute and I.T.S had always had the best of teachers.

Both of the distinguished guests congratulated and acknowledged the efforts made by I.T.S Dental College Ghaziabad under the guidance of **Honorable Chairman, I.T.S-The Education Group, Dr. R. P. Chadha** and **Honorable Vice Chairman I.T.S-The Education Group, Mr. Arpit Chadha** for creating a landscape of quality education and in providing high quality dental care with latest equipment and infrastructure. They further appreciated our vivacious, young and dynamic **Honorable Vice Chairman, I.T.S-The Education Group, Mr. Arpit Chadha** for being a visionary leader who has taken the institute to greater heights.

The distinguished guests were then felicitated with Mementos by **Mr. Surinder Sood**.

The program concluded with the National Anthem. This was followed by student introduction session, during which all students gave self-introductions and reasons for choosing the field and the institute for their education. After the introductory session the students were taken to the library and various departments for a visit. Lunch was served for students and parents after the event.

Observations:

1. The program overall was very well coordinated and timed.
2. The overall arrangements and decoration were done in a good manner.
3. Overall sound quality of the audio system can be improved.

Suggestions For Improvement:

1. The carpet of the main auditorium is worn out at many places and difficult to clean. New carpeting could be done keeping in accord the multiple functions the auditorium holds every year.
2. The audio system also can be revamped with new speakers and sound system.

Event Report

Fresher's Party (BDS 1st Year Batch 2022-2026)

Friday, 17th February, 2023

Under the guidance of honorable Chairman, I.T.S -The Education Group, Dr. R.P. Chadha the able leadership of honorable Vice Chairman, I.T.S -The Education Group, Sh. Arpit Chadha and Director-Principal Dr. Devi Charan Shetty, I.T.S Center of Dental Studies and Research, Ghaziabad celebrated Fresher's party for welcoming BDS 1st Year students (batch 22-26) on 17th February, 2023 at Vikram Sarabhai auditorium. The program began at 10.30 am with the reception of the Guest of honor Former Mrs. India Ms. Juhi Swarnkar. The program was also attended by the head of all departments, faculty of the dental and medical departments and undergraduate students. The program started with a flash mob by BDS 2nd year students for welcoming their juniors in which they showcased their joyful and lovable moves on various Bollywood hits. This was followed by a ramp walk presented by the 10 girls and 10 boys from the BDS 1st year batch accompanied by a ramp walk from BDS 2nd year students.

Various other cultural programs like solo dance, group dance, solo singing, group singing and instrumental music were presented in which the students captivated the audience with their stunning performances on their favorite songs. Mr. Anmol Verma and Ms. Sonal Vats were crowned as Mister and Miss fresher based on their performances in talent round, prop round and question answer session.

Director-Principal, Prof. (Dr.) Devi Charan Shetty appreciated the program and encouraged the efforts of the students for organizing such a heartfelt event. Later, Mr. and Ms. Fresher were crowned jointly by the guest of honor Ms. Juhi Swarnkar and Director- Principal Dr. Devi Charan Shetty.

The program concluded with a lunch and a Dance Jam Session for both the BDS batches.

Shortcomings of the program:

- Bees attack at the food venue near activity hall.

Suggestions for Improvement:

- Food venue can be kept in outdoor next time.
- Time scheduling needs to be improved and memento distribution should be scheduled for 10 minutes only.
- Fillers should be kept as standby.

I.T.S- Centre for Dental Studies & Research, Ghaziabad

"Annual Convocation Ceremony – 2023"

General

"Annual Convocation Ceremony – 2023" was organized for 18th Batch of BDS (2017-22) at I.T.S Centre for Dental Studies & Research, Murad Nagar, Ghaziabad, on 6th May, 2023 (Saturday).

About the Guests

- **Prof. (Dr.) K.K Aggarwal (Former Chairman, National Board of Accreditation & Founder Vice Chancellor GGS Indraprastha University, New Delhi)**
- **Dr. S.K Kak (Former Vice Chancellor, CCS University, Meerut and Former Vice Chancellor, Mahamaya Technical University, Noida)**

Content

Dr. S.K Kak appreciated both Honorable Chairman & Honorable Vice Chairman of I.T.S- The Education Group, for incorporating world class infrastructure in the institute which included state of the art CBCT machine, CAD CAM machine, Implant Centre, Oro-Facial Pain Clinic, and Laser & Facial Esthetic Clinic which help the dentists at I.T.S to deliver superlative treatment with precision & utmost care. He said, he was besieged on seeing the list of free treatments being provided for poor patients such as Cancer surgeries, Dialysis Unit, Cleft lip/palate surgeries. He was highly impressed by the state-of-the-art mobile dental clinic which is utilized to provide treatment for patients in remote villages. He said it was all due to the keen interest shown by our Vice-Chairman, Mr. Arpit Chadha in day to day academic activities which has made I.T.S – C.D.S.R one of the best dental colleges in the country.

Prof. (Dr.) K.K Aggarwal appreciated our energetic & determined, Honorable Vice Chairman, Shri. Arpit Chadha for his benevolent activities to promote the wellbeing of the underprivileged people. It is due to his persistent hard work and determination that, I.T.S- C.D.S.R, Murad Nagar has reached new heights and has been awarded as "Most Preferred UG/PG Institute of the Year" which was conferred by Bharat Ratna and Padma Vibhushan His Excellency 13th President of India, Late Shri Pranab Mukherjee to our Vice Chairman, Mr. Arpit Chadha. Our Institute has also been awarded as "1st Ranked Private Dental College In North India " and "Emerging College Of The Century" by India Today Best Colleges of India Ranking 2022". He also congratulated the institute for being accredited 'A' grade by NAAC for the third consecutive time.

Report of Anti Ragging Workshop

Dated 10/05/2023

In reference to letter by DCI (Ref no: DCI/ARPM/ARC/ARM/Gen/167/2023-24/2023/11559) dated 21.04.2023 an Anti ragging Workshop was conducted at **ITS CDSR**, Muradnagar, Ghaziabad on **10th May, 2023 (Wednesday)**.

The training was conducted for periodic training to the members of Anti Ragging Cells/Committees/Squads of Dental Colleges and for awareness about ragging among all the students as per the UGC Guidelines and Anti Ragging Monitoring committee recommendations.

The workshop was conducted by, Executive Committee member, Dental Council of India **Dr. Anil Chandna**. The workshop was attended by all **BDS 1st year and BDS 2nd year students** of the college, **Anti Ragging committee** and **Squad members, Women Cell** of the college and the Director-Principal, **Dr. Devi Charan Shetty**.

Dr. Chandna elaborately and comprehensively covered all aspects of ragging protocols and rules and regulations in place and the role of Dental Council of India in prevention of Ragging and safeguarding the interests of students.

Dr. Chandna also discussed in detail the measures to prevent ragging and also what to do in case of ragging and shared with everyone the helpline numbers and contact details for any queries and complaints and emphasized the zero tolerance policy towards Ragging.

The workshop helped students understand the rules and regulations in place and the importance of a ragging free environment in places of education.

The program further comprehensively provided all necessary information to and training to the college Anti Ragging committee and Squad as well as the women cell.

The program culminated with a vote of thanks by the Director-Principal, Dr. Devi Charan Shetty, where he expressed his gratitude to the speaker of the day, Dr. Anil Chandna and also expressed his sincere thanks towards Dental Council of India for providing such elaborate platform and program for safeguarding the rights of children and ensuring a Ragging free environment in the country.

I.T.S Centre for Dental Sciences & Research, Murad Nagar
DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY
CBCT-AN INTEGRATED POSTGRADUATE CLINICAL WORKSHOP

EVENT REPORT

13th and 15th May 2023

GENERAL

1. The CBCT module for the Post-graduates was conducted by the Department of Oral Medicine, Diagnosis and Radiology, I.T.S Dental College Ghaziabad on 13th and 15th May 2023.

OBJECTIVE

2. The objective of the Module was training of the PGs to read and interpret the CBCT images. Various case scenarios were discussed with the students using hands-on training and also highlighted relevant interpretation and to improve the PG's clinical abilities in the Imaging field.

ABOUT THE PROGRAMME

3. The programme included thorough instructions on the basics of usage of CBCT software. Over two days, thorough clinical and theoretical lectures, hands-on training, and demonstration of different cases were given.
4. The module on first day began with three sessions which included Introduction to CBCT by Dr. Roopika Handa, CBCT in Oral Implantology by Dr. Akshay Rathore, CBCT in Maxillofacial pathology by Dr. Anuradha Yadav and Imaging of Endo-Perio lesions by Dr. Akshi Choudhary.
5. The second day session included CBCT in Oral Surgery by Dr. Anuradha Yadav, CBCT in Endodontics by Dr. Akshay Rathore and CBCT in Orthodontics & Periodontics by Dr. Akshi Choudhary.

ATTENDEES

6. The following is the number of attendees in the lecture:
 - a. Total Number of PGs who attended the programme : 40 (2nd Year PGs)
 - b. Total Number of Faculty who organised the programme : 04

LECTURE CONTENT

DAY 1:

SESSION 1: INTRODUCTION TO CBCT- Dr. Roopika Handa

SESSION 2: CBCT IN ORAL IMPLANTOLOGY – Dr. Akshay Rathore

SESSION 3: CBCT IN MAXILLOFACIAL PATHOLOGY - Dr. Anuradha Yadav

DAY 2:

SESSION 1: CBCT IN ORAL SURGERY – Dr. Anuradha Yadav

SESSION 2: CBCT IN ENDODONTICS- Dr. Akshay Rathore

SESSION 3: CBCT IN ORTHODONTICS & PERIODONTICS– Dr. Akshi Chaudhary

OUTCOME

The module was highly appreciated and was attended by 40 PGs; all of them participated with great enthusiasm. The depth and dire requirement of CBCT modality in various branches of dentistry and to understand the sensitivity of the cases through CBCT was acknowledged by the participants.

CONCLUSION

The module was concluded with a vote of thanks to Director-Principal Sir, “Dr. Devi Charan Shetty” and Dean PG Dr. Sonali Taneja Ma’am. The motivation for these modules on CBCT training for Post-graduates was derived from our Honorable Chairman Sir, “Dr. R.P. Chadha” and Vice Chairman Sir, “Sh. Arpit Chadha.”

The entire participants were accorded with participation certificate of the Hands on workshop module.

White Coat & Academic Award Ceremony

16th June 2023

General

White Coat & Academic Award Ceremony was organized in Vikram Sarabhai auditorium at I.T.S Centre for Dental Studies & Research, Ghaziabad on Friday, 16th June 2023.

The White Coat Ceremony is an important event in dental education that marks the transition of dental students from preclinical to clinical training. It symbolizes the professional responsibilities and ethical obligations that students undertake as they progress towards becoming competent dental practitioners.

Objective

The ceremony highlights the importance of professionalism in dental practice, setting the tone for student's future interactions with patients, colleagues, and the healthcare community. It emphasizes ethical behavior, reinforcing the significance of maintaining high moral standards throughout the student's dental careers.

Guest

Dr. R.C. Gupta - Principal - LLRM Medical College, Dean Medical Faculty, CCS University, Meerut

Circular

Circular dated 12-06-2023 was released for the ceremony.

Webinar Report on “Power of Zero” on 22/6/2023

By

DR. NIKHIL MARWAH

Under the guidance of honorable Chairman, I.T.S-The Education Group, Dr. R.P. Chadha and able leadership of honorable Vice Chairman, I.T.S-The Education Group, Mr Arpit Chadha, I.T.S Dental College Ghaziabad hosted a Webinar on “Power of Zero” by Dr Nikhil Marwah on 22nd June 2023. Dr. Nikhil Marwah is currently working as Associate Dean (Research), Mahatma Gandhi University of Medical Sciences and Technology, Jaipur. He is Professor and Head of Department of Pediatric and Preventive Dentistry, Mahatma Gandhi University of Medical Sciences and Technology, Jaipur. He is a pioneer and a distinguished member in the field of Pediatric and Preventive Dentistry and has over 19 years of teaching experience along with having more than 70 national and international publications.

Dr. Nikhil Marwah was live in conversation with the students and faculty of I.T.S Dental College, Ghaziabad giving his insights on the pre appointment communication and behaviour management emphasizing on the Power of Zero Visit. He stressed on the facts how communication is most important in behaviour management of pediatric patients. He spoke about the points and details to be followed in Pediatric dental practice during the webinar. He explained and answered queries risen by the audience. The webinar was a full house with around 122 actively interacting participants including Heads of all departments, faculty, post graduate students and interns. We are thankful to our honorable Vice Chairman, Shri Arpit Chadha for providing his unconditional support in organizing this webinar. We would also like to thank the management of I.T.S Dental College, Ghaziabad who helped to overcome challenges that came our way.

GUEST LECTURE REPORT

19th July, 2023

GENERAL

An informative Guest Lecture on “Magnification in Dentistry” was organized by I.T.S Dental College, Muradnagar on 19th July, 2023. Around 100 participants attended the programme including faculty members, BDS second year students from the college. The guest speaker for this event was, Dr. Shrey Dhawan.

OBJECTIVE:

The objective of the lecture was to teach BDS second year students the tips and tricks of magnification in dentistry.

ABOUT THE SPEAKER

Dr. Shrey Dhawan has a vast experience in dentistry. He has keen interest in microscopic dentistry. He is an avid educator. He is speaker for Bondent India, Group Pharma & Dental Avenue and has been doing national lectures for over 6 years now.

Attendees

The following is the summary of attendance for the lecture:

Total Participants:87

- a) Total Students who attended the program :82
- b) Total faculty who attended the program :5

Lecture Content:

A brief overview of the program was given by Dr. Sonali Taneja (Professor & Head, Department of Conservative Dentistry & Endodontics) and further the speaker was introduced by Dr. Divya Chowdhary (Reader, Department of Conservative Dentistry & Endodontics).

Lecture explained importance of Magnification in dentistry. Magnification helps the user not only to see more, but to see well. The application of magnification devices in Endodontics is mainly meant for visual enhancement and improved ergonomics. The lecture focused producing higher quality procedures for better precision and accuracy by using loupes in daily practice. Using loupes or microscopes improves the clarity in treatment plan as well as its execution.

Following the lecture there was demonstration & hands-on, on the use of Loupes in dentistry for undergraduate students, so that students can start their practice from preclinical work & further perform clinical practice under magnification.

Outcome:

This lecture followed by hands-on made students to better understand the importance of magnification using dental loupes in general dentistry and its application. It would definitely help and motivate students to do better restorative dentistry with due attention to minute details.

Conclusion:

The speaker concluded the programme by thanking the college for organising such an informative and knowledgeable platform for the BDS students and .At the end, Dr. Sonali Taneja (Professor & Head, Department of Conservative Dentistry & Endodontics) gave a heartfelt thanks to our guest speaker and gathering.

आईटीएस डेंटल कॉलेज में गेस्ट लेक्चर का आयोजन

आईटीएस डेंटल कॉलेज में गेस्ट लेक्चर का आयोजन

मुरादनगर। दिल्ली में स्थित आईटीएस डेंटल कॉलेज के चेयरमैन दिनेश चर्च के विद्यार्थियों को दैनिक चिकित्सा के क्षेत्र में उत्कृष्ट बनाने हेतु प्रख्यान वक्ता डॉ. श्रेय धवन द्वारा एक गेस्ट लेक्चर प्रस्तुत किया गया, जिसका विषय एंटीबैक्टीरियल इन डेंटिस्ट्री था। इस लेक्चर में 150 से अधिक छात्रों ने भाग लिया। लेक्चर के दौरान

डॉ. श्रेय ने सभी छात्रों को दैनिक चिकित्सा के क्षेत्र में मैग्निफिकेशन की भूमिका के बारे में गहन जानकारी प्रदान की। उन्होंने बताया कि इसके उपयोग से मरीज को न केवल अधिक देखने में, बल्कि अच्छे तरह देखने में भी मदद मिलती है। मैग्निफिकेशन डिवाइस का अनुप्रयोग एंडोडेंटिक्स में मुख्य रूप से हृष्य वृद्धि और बेहतर एपॉनैमिक्स के लिये है। इसके साथ ही उन्होंने क्लिनिकल अभ्यास में

डेंटल लुम का उपयोग करके बेहतर और सटीकता के साथ उच्च गुणवत्ता वाली प्रक्रियाओं के बारे में चर्चा की, जिससे मरीजों को उत्तम उपचार प्रदान किया जा सके। लेक्चर के दौरान डॉ. श्रेय ने सभी प्रतिभागियों के प्रश्नों के उत्तर दिये एवं सभी प्रतिभागियों को दैनिक चिकित्सा के क्षेत्र में लुम और माइक्रोस्कोप के उपयोग एवं उन्हें इस क्षेत्र में सफल बनाने हेतु सभी

प्रतिभागियों का मार्गदर्शन किया जिसके लिये सभी प्रतिभागियों ने उनकी सराहना की इस कार्यक्रम के माध्यम से सभी प्रतिभागियों को सर्वश्रेष्ठ क्लिनिकल एवं ज्ञानवर्धक मंच प्रदान करने के लिये सभी ने आईटीएस - ट एजुकेशन ग्रुप के चेयरमैन डॉ. आर्यो चक्रवर्ती वार्डन चेयरमैन अर्पित चक्रा को धन्यवाद दिया।

DEPARTMENT OF CONSERVATIVE DENTISTRY & ENDODONTICS
Report of Intern Clinical Proficiency Module
(28th & 31st July, 2023)

General

Intern Clinical Proficiency Module was organized by Department of Conservative Dentistry & Endodontics, I.T.S Dental College, Ghaziabad on 28th & 31st July, 2023. A circular dated 24th July, 2023 was published for the program.

Objectives

The objective of the Intern Clinical Proficiency Module was to enhance and upgrade the student's clinical skills and abilities to overcome all these hassles which occur during restoring class II and Class IV cavities.

About the program

The program was organized for the interns in R. Ahmad Auditorium followed by demonstrations in Artificial Simulation Lab. The topic for the Intern Module was Predictable Class II and Class IV Composite Restoration. The program was conducted under the guidance of Dr Sonali Taneja (Prof & Head of Department). On day 1, the program started with an insightful lecture on isolation in dentistry by Dr. Anshul Arora, which was later followed by demonstrations by Dr. Abhik Mukherjee. On day 2, program started with enlightening lecture by Dr. Avinash on Class II and Class IV cavity preparation and problems associated with it. Then the program proceeded with demonstration of cavity preparation by Dr. Akriti Dheer.

Attendees

The following is the summary of attendees for the programme.

- a) Total no.of students who participated the program: 38
- b) Total no.of faculties who attended the program: 5

Outcome

The session emphasized on use of rubber dam for isolation in operative dentistry and its impacts on the longevity of the class II and Class IV restoration. The Comprehensive module also highlights on different class II and Class IV cavity preparation requiring conservation of the tooth structure.

Conclusion

The program concluded with an interactive question and answers session, discussion and hands on exercises by the Interns.

A Report on Intern ascendency program- module 1

28th and 31st July 2023

General

The Intern ascendency program was conducted by the department of orthodontics on 28th and 31st July. The program had the participation of 23 Interns. The program comprised of lectures and Hands on experience in relation diagnosis and treatment planning.

Objective

The objective of this two day program was to teach the correct method of diagnosis and treatment planning in an orthodontic patient.

LECTURE CONTENT

DAY-1

- The lecture on case history taking was taken by Dr Divya Shetty (Professor)
- Demonstration followed by hands on exercise of diagnostic impressions was taken by Dr Prakash VS (Senior Lecturer)
- Demonstration followed by hands on exercise of intra and extraoral photographs was taken by Dr Bhupender. (Senior Lecturer)

Day-2

Lecture on

- diagnosis and treatment planning
 - Appliance selection : Removable v/s fixed Orthodontics
 - Extraction Decision: Non extraction / Extraction case
- were conducted by Dr Piush Kumar (Professor)

Hands on demonstration and practical of digital cephalometry was given by Dr Shubhangi Jain

Attendees

The following is the summary of attendees for the programme:

Total Participants – 23

Outcome

- The students were familiarized with diagnosis of treatment planning of an orthodontic patient
- They had an opportunity to get a hands on experience of record taking for such patient.
- Students attained a better understanding of the digital cephalometry.

Conclusion

The program was concluded and feedback was taken from the students

REPORT

Interns Clinical Ascendancy and Enhancement Program

Group A (July,2023)

1.General

The First Module of the Interns Clinical Ascendancy and Enhancement Program was organized by the Department of Prosthodontics and Oral Implantology, at I.T.S Dental College, Ghaziabad on 28th and 31st July, 2023. A circular dated 24.07.2023 was published for the program.

2.Objectives

The program aimed to provide a comprehensive understanding of the Digital Revolution in Fixed Prosthodontics through lectures, practical demonstrations and hands-on workshops. The primary objectives of the program were as follows:

1. Introduce interns to the latest advancements in Fixed Prosthodontics with a specific emphasis on digital technologies.
2. Familiarize interns with the principles of tooth preparation for all-ceramic or zirconia crowns.
3. Provide hands-on experience in Digital Impression techniques for FPD using Intra-Oral Scanners.
4. Enhance the knowledge and skills of interns in the application of digital tools in prosthodontic procedures.

3.About the event

The event took place over two days on 28th July and 31st July, 2023. The program encompassed a series of enlightening sessions and practical demonstrations, ensuring a well-rounded learning experience for the participants.

The program commenced with an insightful lecture on "Intra Oral Scanners," where the interns were introduced to the capabilities and applications of these advanced devices. The session

highlighted the advantages of digital impressions over traditional methods, emphasizing the importance of embracing digital technologies in contemporary prosthodontic practices.

Program also featured an in-depth lecture on the "Principles of Tooth Preparation for All Ceramic Crown." This provided the interns with essential insights into achieving optimal outcomes with all-ceramic crowns while incorporating digital techniques.

To further enhance the interns' understanding, the program included a remarkable live demonstration by the faculty on "Tooth Preparation for Zirconia Crown on Patients." Under the expert guidance of experienced prosthodontists, the interns had the unique opportunity to observe and learn from real patient cases, gaining valuable practical experience.

One of the program's highlights was the "Digital Impression Technique for Fixed Partial Dentures (FPD)" demonstration, showcasing the precision and efficiency of using Intra-Oral Scanners in creating accurate restorations. This session provided interns with a comprehensive understanding of the digital workflow in FPD fabrication.

In addition to the demonstrations on real patients, the interns also engaged in a hands-on workshop involving "Digital Impression of FPD on Typodonts" using Intra-Oral Scanners. This hands-on experience allowed the interns to practice and refine their skills in a simulated environment, building their confidence in applying digital techniques.

Furthermore, to broaden the scope of learning, the program included a special session on "Digital Impression Technique of Implants using Implant Scan Body and Intra Oral Scanner." This segment allowed the participants to gain hands-on experience in capturing digital impressions for implant restorations, enhancing their skills in this critical aspect of prosthodontic practice.

Throughout the event, the interns were guided through the intricacies of digital workflows in fixed prosthodontics, preparing them to embrace the ongoing digital revolution in dental practices. The program successfully provided a solid foundation for the interns to incorporate digital technologies seamlessly into their future prosthodontic procedures, ensuring they stay at the forefront of advancements in the field.

4.Attendees

A total of 28 students participated in the program

5. Outcome

The First Module of the Interns Clinical Ascendancy and Enhancement Program was highly successful in achieving its objectives. The attendees gained valuable insights into the Digital Revolution in Fixed Prosthodontics and were exposed to cutting-edge technologies and techniques in the field. The faculty members played a pivotal role in the success of the event. They participated enthusiastically, demonstrating a wealth of knowledge and expertise in the field of prosthodontics and digital dentistry. Their passion for the subject matter inspired the students and created a conducive learning environment.

6. Conclusion

The First Module of the Interns Clinical Ascendancy and Enhancement Program focused on the Digital Revolution in Fixed Prosthodontics, providing a comprehensive platform for 28 enthusiastic interns to expand their knowledge and skills. The program successfully introduced interns to Intra Oral Scanners, principles of tooth preparation for different crowns, and Digital Impression techniques for Fixed Partial Dentures. The practical demonstrations and hands-on exercises were instrumental in reinforcing the theoretical knowledge and preparing the interns for the challenges of modern prosthodontic practice. Overall, the program served as an excellent foundation for the interns' future endeavors in the field of Prosthodontics and Digital Dentistry.
