### TO WHOM SO EVER IT MAY CONCERN

Following are the clarifications for queries raised regarding data uploaded for NAAC criteria 5.2.1

1. **The HEI to provide list of the students who qualified (year-wise) under each head claimed-** Attested and signed list of students qualified (year-wise) in NEET has been provided along with their qualifying exam roll number and details of the nature of proof in the excel uploaded.

The students graduated in the year 2022 were not eligible to give any National/State Entrance examination as our students completed their internship in the month of September 2022 due to delay in conduction of exam by the Chaudhary Charan University, Meerut to which our college is affiliated (Exam Notification attached) because of COVID-19 and as per the orders of Medical Counselling Committee, DGHS, Government of India dated 01-09-22, Ref: U-12021/01/2022-MEC, for the academic year 2022-23 the internship completion date was 31<sup>st</sup> July 2022 to be eligible for NEET-PG (Enclosure attached)

2. **HEI to provide attested certificates issued by the examining authority-** The examining authority provides the NEET Score Card to individual student which is accessed through log-in id and password system which is in possession of the individual student and the institute has no access to the data. Hence, as proof the Allotment letters, NEET Score Card, Bonafide student certificate, Mark sheet. MDS College MDS IDs should be considered as proof for those completed or pursuing MDS Degree (higher education). Also, students who have qualified and did not go for higher studies their names have been highlighted in the Merit list of qualified students released either by the Directorate of Medical Education and Training (DGMET), India and Directorate of Medical Education and Training, Uttar Pradesh. Attested proofs attached.
