Subject:-Award of SRFship to Dr. Isha S Singh on the project titled "Microbiological analysis of chromogenic bacteria in determining the color stability of different orthodontic elastic modules: A confocal microscopy and PCR study"

Sir,

I am glad to inform you that the ICMR has awarded SRFship to Dr. Isha S Singh on a stipend of Rs. 35,000/- p.m. to carry out research on the project mentioned above under your guidance. H.R.A. and Medical reimbursement will be paid as per the rules of your Institute.

The award of Research Fellow will be subject to the following terms and condition:-

**TENURE:-** It will be tenable for one year only from the date of joining the duty and further extension will be on yearly basis subject to maximum of two years based on the review of progress report by expert group.

The event of her leaving before completing one year of the fellowship, she may be required to refund the stipend drawn by her from the date of joining to the date of leaving the fellowship.

**PRIVATE PRACTICE:-** Private Practice of any kind, or taking up any appointment even in an honorary capacity during the fellowship is not permitted.

**ADMINISTRATIVE CONTROL:-** The candidate will be under the administrative control of the Institution where she works, and will also be subject to the rules and regulations of the Institute.

**LEAVE:** Leave will be admissible according to the leave rules of the Institution/University. However, in the case of female research fellows/Associated 180 days maternity leave with stipend will be admissible. Research Fellow / Associates are not entitled to vacation normally admissible to the staff of an Institution / University"

**HRA:-** HRA will only be paid, if the fellow is not availing any hostel facility. A certificate to this effect should be sent along with the joining report for payment of HRA.

**REPORTS:-** The awardees shall submit 1<sup>st</sup> annual reports for the first 10 months in the prescribed standard Performa. Ten copies of the first annual report should be submitted after 10 months from the date of commencement of the fellowship giving complete factual details of the research work done through the Guide along with her appraisal. Subsequent annual report should be submitted though the Guide two months before the completion of fellowship tenure. Failure to submit reports in time may lead to termination of the award. Ten copies of the final report in the prescribed form clearly shall be submitted one month before the date of termination of the award. A list of the papers published or presented at Scientific Conferences during the tenure of the fellowship should also be furnished with the annual and final reports.

**PUBLICATION OF PAPERS:-** Prior permission for publication of papers based on the research work done during the tenure of the award should be obtained from the Council. The papers should be sent to the Council through the Guide along with her recommendations. Due acknowledgement to the Council should be made in these papers.

**PAYMENT OF FUNDS:-** The stipend and the funds for contingencies shall be paid as per rules of the Council. The first instalment will be paid after the receipt of the joining report of the fellow. Subsequent instalment will be released only on receipt of statement of accounts of utilisation of the previous instalment. The University/Institution shall be responsible for proper utilisation of grant and for rendition of accounts of ICMR.

**CONTINGENT EXPENDITURE:-** An annual contingent grant of Rs. 20,000/- p.a. will be admissible for the financial year from 1<sup>st</sup> April to 31<sup>st</sup> March. In case a SRF joins duty after 1<sup>st</sup> April, the contingent grant will be proportionate to the period of the award in that financial year. The contingent grant is given to meet petty expenditures for purchase of chemicals, reagents etc. No non-expenditure article or equipment can be purchased out of the grant.

**TRAVEL:-** Travelling allowance will not be admissible for joining duty on termination of the award.

The Council may approve tours of research associate for:-

1. Attending symposium/seminar/conference provided the fellow/associate is presenting a paper which has been accepted by the organizers of the symposium/seminar/conference.
2. Field work connected with research.
3. TA/DA would be admissible as per the rules applicable to Central Government Officers with basic pay equivalent to the amount of the fellowship stipend.

**NOTE:-** The expenditure on this account will be met from the contingent grant sanctioned to the fellow.

**POST FELLOWSHIP CAREER:-**

4. The Research Fellow can register himself/herself for postgraduate qualification and to utilize in his work done by him/her during fellowship tenure. A copy of the thesis submitted for postgraduate degree will have to be sent to

Subject: Addendum to the Fixed Term Salaried Contract dated 03 November 2020

Dear Dr Singh,

The organization is going through a difficult phase in terms of its finances and hence there is a need to revise the contracts of employees. We request you to please see this in the right spirit and understand the situation under which we need to make some amendments to the employment contract. It is with this background that your project brief, contract duration and notice period clause is being amended as follows:

The fixed term salaried contract is being extended for a period of three months and will be valid from 01 January 2022 till 31 March 2022 under the project "CHARISMA". We appreciate your commitment and dedication to this organization. Please be assured that we will do our best and continue to extend the fixed term contract from time to time. In the unforeseen situation of not being able to extend the contract, the organization would like to inform you that the contract will close on 31 March 2022.

#### 1. Brief:

The Public Health Foundation of India - Centre for Environmental Health (PHFI-CEH), Flemish Institute for Technological Research (VITO), and AVIA-GIS have partnered up in the project "Climate-health risk management in India" (CHARISMA). In a collaborative effort with local stakeholders and authorities, this two-year project aims to support India in drawing up measures to adapt and cope with climate and health impacts caused by climate change. Climate-health services and mapping tools will be developed and provided to the public and local stakeholders through a web-based platform, to provide exposure and vulnerability analyses for climate-related diseases such as heat stress and vector-borne diseases to be carried out for current and future climate conditions. Based on the data presented in the web-based platform, which will be tailored to the local needs of stakeholders and authorities, action plans can be jointly prepared.
